Recruitment Feature of the Month - Marie Skłodowska-Curie Fellowship Programme

The IAEA MSCFP application call is now open!

The IAEA Marie Skłodowska-Curie Fellowship Programme (MSCFP) was launched in 2020 by the IAEA Director General. The programme aims to inspire and encourage young women to pursue a career in nuclear related field, by providing highly motivated female students with scholarships up to €20,000 for tuition costs and up to €20,000 for living costs for their Master's programme and an opportunity to pursue an internship facilitated by the IAEA for up to 12 months. This year the aim will be to select up to 200 new recipients.
